

### **VISION AND MISSION OF CSTI :-**

The Motto of the institute is **Discipline, Self Development and Public Good**. There is a separate logo for the Institute, depicting these three messages.

The Vision and Mission of the Institute are to strengthen and develop the Institute so as to transform the Institute as a Centre of Excellence in Foundational Administrative Training, to give emphasis on human resource development of the Government's machinery through **Happy & Healthy Learning**, with an ultimate aim of **Better Training for Good Governance**.

Developing the competency frame work and capacity building of the State Government's machinery with a goal to ensure speedy, responsible, responsive, transparent and result oriented administration can be ensured.
